Follow-up Implementation Resolution for the Economic Crisis Committee Report

Whereas it is urgent to act promptly to influence the Obama Transition team and Administration to put people first in any recovery plan, and to put enough money in the plan to head off a depression, and

Whereas, the recession will slow and reverse when enough working people are back earning a paycheck, foreclosures are halted, and municipal and state budgets are supported, pensions and Social Security are safe, and the people have health care, and

Whereas, the Obama stimulus plan is insufficient to employ enough people fast enough to stem the tide of the rapid acceleration of the recession, therefore

Be It Resolved that the SFLC Economic Crisis Recovery Guidelines and Proposals be immediately forwarded to our affiliates for their support and communication with their state and national officers, and posted on the SF Labor Council's website, and

Be It Further Resolved that the Council promptly forward the SFLC Recovery Guidelines and Proposals to the Greater Bay Area Central Labor Councils and the CLC's in Sacramento, Los Angeles and Counties; and

Be It Further Resolved that the Council forward the SFLC Recovery Guidelines and Program to Art Pulaski at the State Labor Federation followed up by contact from President Casey and/or Executive Director Tim Paulson; and

Be It Further Resolved President Casey and the Executive Director Paulson urge speedy adoption of the SFLC Recovery Guideline and Program by the above CLC's by directly contacting their respective leaders, and urging they communicate their support to the State Federation of Labor as well as to the AFL-CIO & CTW; and

Be It Finally Resolved that President Casey and Executive Director Paulson communicate the Recovery Guidelines and Program to the AFL-CIO and CTW, and other International Union leaders, with follow-up calls and urge strenuous lobbying immediately with the President-elect Obama Administration.

Submitted by Economic Crisis Committee members Denis Mosgofian, Chair, GCC-IBT 4N; Alan Benjamin, OPEIU 3; Tom Edminster, UESF; Ramon Castellblanch, CFA; Dean Coate, IFPTE 21; David Welsh, NALC 214; Conny Ford, OPEIU 3, VP, SFLC and adopted by the San Francisco Labor Council on January 12, 2009.

Respectfully,

Tim Paulson
Executive Director
