Resolution in Support of Young Workers United

Whereas Young Workers United serves a generally unrecognized constituency; and

Whereas the Young Workers United constituency is generally both young (as indicated in the name) and immigrant; and

Whereas Young Workers United has typically focused on service sector work; and

Whereas Young Workers United has become an effective bridge between communities and labor; and

Whereas Young Workers United has a base at SF Community College and also at San Francisco State where they are invited into classes to provide instruction and guidance regarding labor law and current labor issues; and

Whereas it is incumbent upon the San Francisco Labor Council to encourage and nurture the young people who will take the places of the fallen heroes of Labor as well as those who currently work to ensure the expression of the voice workers,

Therefore Be It Resolved that the San Francisco Labor Council express its gratitude and thanks to Young Workers United for the work that they have done on several labor campaigns, and

Be It Finally Resolved that the Executive Committee of the San Francisco Labor Council explore ways to support the work of the Young Workers United.

Submitted by Susan Solomon, Dennis Kelly, & Linda Plack of United Educators of San Francisco, and adopted unanimously by the San Francisco Labor Council on May 11, 2009.

Respectfully,

Tim Paulson
Executive Director
