**NATIONAL CALL-IN DAY, Wednesday, December 5<sup>th</sup>**

**Tell Congress: NO CUTS to Social Security,  
Medicare or Medicaid!**

Negotiations in Congress are under way **right now** to reduce the federal deficit. Seniors, workers, and students need to act quickly and in a loud voice to tell Congress not to balance the budget on the backs of working families who have earned their guaranteed benefits after a lifetime of hard work. **Call: 888-659-9401**

**Tell Congress:**

1. No benefit cuts to Social Security, Medicare or Medicaid.
2. No more tax cuts for the richest 2% of Americans.

**Time is short.** Politicians and special interests are demanding deep cuts to Social Security, Medicare and Medicaid – all to guarantee more big tax breaks for the wealthy and Wall Street. We need to protect what we've earned.
