NATIONAL DAY OF ACTION!

Historic Victory & we need to **KEEP GOING** for \$15 and Full Time!

Just last month Walmart announced RAISES for 500,000 Walmart workers. That's 1 BILLION in money into Associates pockets! It's a huge victory and a great start, but even WITH this many associates continue to struggle to support their families on low wages and too few hours.

That's why workers are calling on Walmart to publicly commit to \$15 an hour and access to full-time, consistent work.

On Wed April 1st, all across the country, we will spread the news of the VICTORY and the message that we NEED TO KEEP GOING TILL \$15 and Full Time is a reality!
