

YOU ARE INVITED TO A BRIEFING

NEXT STEPS IN THE HEALTHCARE JUSTICE FIGHT: How California Can Lead The Way With State Medicare For All

The GOP healthcare attacks mean disastrous impacts on those who benefit from expanded Medi-Cal, or receive Covered California subsidies, will undermine Health4All efforts to cover our undocumented neighbors, and a possible dismantling of unions' healthcare, and lead to increased insurance rates for all. With Ryan's sights set next on privatizing Medicare, EVERY Californian's healthcare is in danger.

We must go on the offense to call for PROTECTING, IMPROVING AND EXPANDING MEDICARE FOR ALL! Now is the time for California to show another path is possible. The good news is that we already have the solution: state Medicare for All!

Please join a briefing by the Campaign for a Healthy California to discuss how to fight for the ultimate solution to our state's healthcare crisis.
