**Statement by the Executive Committee of the
San Francisco Labor Council**

March 7, 2017

The San Francisco Labor Council, as well as the California Federation of Labor, AFL-CIO, has enthusiastically endorsed worker solidarity actions planned for May 1, International Workers Day.

We are asking that all employers and businesses be flexible with any worker who might want to leave their job on May 1 to protest the recent attacks on immigrants, health care, and the right to a voice at work.

In particular we are asking that there be NO RETALIATION against any worker – union or non-union – who chooses to exercise their civil rights by taking unpaid time off from his or her scheduled work on May 1.

We thank everyone in advance for your cooperation and understanding.
