**For a Clean Dream Act Now and a Path to Citizenship for all Undocumented Youth!  
Not One More Deportation! No Funding for the Wall of Shame, No More Funding for  
Immigration Enforcement! Stop the I-9 Audits! No Workplace Raids! Defend Our  
Sanctuary Cities! Maintain TPS!**

Whereas, on Feb. 9, 2018, both houses of the U.S. Congress adopted a budget for the upcoming fiscal year that does not include any protections for the close to 800,000 undocumented youth (Dreamers) brought to this country when they were children; and

Whereas, United We Dream and thousands of undocumented youth organized actions and lobbied Congress in support of a Clean Dream Act -- that is, continued protections and a path to citizenship for the 800,000 undocumented youth, WITHOUT any funding for the Wall of Shame and WITHOUT any further funding for ICE immigration enforcement; and

Whereas, March 5, 2018, has been set as the deadline by the Trump administration for the adoption of any legislation that would extend DACA (Deferred Action for Childhood Arrivals); and

Whereas, House Speaker Paul Ryan -- taking his lead from the Trump administration -- has stated that any protection for undocumented youth, would require, in exchange, millions of dollars more to build the Wall along the U.S.-Mexico border and millions of dollars more for immigration enforcement; and

Whereas, Sanctuary Cities -- particularly in California -- are under increased attack by the Trump administration; and

Whereas, on Nov. 20, 2017, Trump's Secretary of Homeland Security Elaine Duke cut off Temporary Protective Status (TPS) for 60,000 Haitians and for more than 240,000 other immigrants from 10 nations (mainly from Honduras, El Salvador and Nicaragua); and

Whereas, the *San Francisco Chronicle* reported that 77 I-9 audits took place in Northern California at the end of January 2018 -- audits that are expected to increase and become workplace raids and deportations if and when a deal is struck on protections for undocumented youth in exchange for increased immigration enforcement and funding for the Wall; and

Whereas, undocumented youth -- just like all 11 million undocumented immigrants, and just like all hundreds of thousands of TPS recipients -- are part of the U.S. working class and deserve protections and a path to citizenship through a just immigration reform; in particular, they deserve the labor movement's protection and support;

Therefore be it Resolved, that the San Francisco Labor Council reaffirms its stance in support of the following demands: "For a Clean Dream Act and a Path to Citizenship for all Undocumented Youth! Not one More Deportation, No Funding for the Wall of Shame, No

More Funding for Immigration Enforcement! Stop the I-9 Audits! No Workplace Raids! Defend Our Sanctuary Cities! Maintain TPS!"; and

Be it Further Resolved, that the San Francisco Labor Council will work closely with our community partners to call on our elected representatives to take a firm and unwavering stand for a Clean Dream Act Now; and

Be it Finally Resolved that the San Francisco Labor Council calls on the California Federation of Labor and the national AFL-CIO to issue statements in support of a Clean Dream Act Now and to call for mobilizations, where possible, in alliance with our immigrant sisters and brothers and their organizations, to promote the above-stated demands.

Respectfully submitted by Olga Miranda, SEIU 87; Rudy Gonzalez, IBT 856; Susan Solomon, UESF; and Alan Benjamin, OPEIU 29, and unanimously adopted by the San Francisco Labor Council on February 12, 2018.

Respectfully,

A handwritten signature in black ink, appearing to read "Tim Paulson", with a long, sweeping flourish extending to the right.
