Section 7. If a Delegate misses more than three (3) consecutive Delegate meetings the Executive Committee may, at its discretion and with a majority vote, authorize the Executive Director to send a warning notice to the delegate and his/her affiliate warning that his/her delegate status is scheduled to be revoked at the next Executive Board meeting. The delegate has the right to appear in person before the Executive Committee. The Executive Committee agenda shall schedule this matter at that meeting.

Section 8. Each delegate shall be required to participate in at least four actions or activities per calendar year called by the SFLC as “Mobilization Events”, or in lieu may have a replacement from her/his own union or organization participate. Section 9. The San Francisco Labor Council will undertake all reasonable efforts to ensure diversity of representation at every level.

ARTICLE IV. VOTING

Section 1. To vote, delegates must be sworn in at least one regular meeting before the election.

No delegate shall be permitted to cast the proxy of another delegate and no delegate shall be allowed to represent more than one organization.

Section 3. A per capita vote shall be held on any pending question, including election of officers and elected Committees, upon demand of 30 percent or more of the delegates present. A per capita vote must be called for before the vote on a motion, except for amendments to the Constitution and Bylaws, where a per capita vote is always required.

Section 4. The number of votes to which a local union is entitled on per capita votes shall be the average number of members as determined in accordance with Section 5 of this Article.

Section 5. The average membership of a local union shall be determined on the basis of the average of the per capita tax payments for the first 12 of the immediately preceding 13 months. The average membership of a local union affiliated for less than this 12-month period shall be computed from the month of affiliation, and shall be determined by dividing the total per capita tax paid for all months affiliated by the number of months the organization has been

affiliated. In no case shall the result be less than one vote.

Section 6. The votes of a local union shall be divided equally among all its accredited delegates present and each delegate shall be entitled to cast only her/his assigned number of votes. Section 7. The Executive Director shall maintain, on a current basis, the official roll of delegates, showing the average membership of each local union as established under the provisions of Article IV, Section 4 and 5.

Attendance at the second Delegate meeting is not mandatory, but shall count towards attendance requirements. However, failure to attend this second Delegate meeting shall not count against a delegate as required in Article III, Section 7.

No adjournment shall take place while a vote is being taken. A motion to extend time is in order at any time, is not debatable, and has precedence over any other motion except to adjourn.

The SFLC may adjust the schedule or time of meetings at its discretion. Due notice shall be given to all affiliated organizations and/or delegates of any change of meeting time, date, or place. All correspondence since the last meeting shall be in a binder available to delegates prior to the meeting.

Section 3. Special meetings for consideration of specified matters shall be held when ordered by a regular meeting of the SFLC or by vote of the Executive Committee, or unanimous vote of the officers. Written notice of the special meeting shall be given to all affiliated organizations and to each delegate at least five days in advance of the meeting. The matter, or matters, for consideration of the special meeting shall be stated in the notice and no other business shall be transacted.

Section 4. Delegates representing 25 different affiliated local unions shall constitute a quorum for transaction of business at a regular or special meeting.

Section 2. There shall be an elected Sergeant-at-Arms and three Trustees. The Sergeant-at-Arms shall have charge of the door and marking attendance, and shall assist the Chair in maintaining order. The three Trustees shall act as an Auditing Committee to examine and report on bills and claims prior to action thereupon by the Council.

Section 3. Each officer, at the time of the election and at all times during the term of office, shall be a duly accredited delegate from an affiliated organization. If the officer ceases to be a delegate, the office held shall thereby become vacant and a special election provided for under Article VI, Section 11 in this Constitution shall be held to fill the vacancy.

A postponed election shall be held at the first succeeding regular meeting with due notice being given to all affiliated organizations, or as may be directed by the AFL-CIO. At a regular Delegate Body meeting prior to the election, candidates for office shall be given equal time to speak to and respond to the delegates. The time allotted and format for presentation shall be decided by the Delegate Body at the meeting when the nominations for office are first opened.

Election for the three vice president positions shall be by office based on the primary job description as spelled out in Article VIII, Section 3.

Section 7. Officers of organizations affiliated with the local central body shall also be entitled to inspect at the place where the records are kept and to make their own notes concerning the most current underlying records relating to the information included in the list provided above.

Section 8. The election for uncontested positions shall be by acclamation. The election for contested offices shall be held by per capita vote. It shall require a majority to elect, except in the case of elected committees when there is more than one position to fill. In those cases, the number of candidates equal to the number of positions to be filled receiving the greatest number of votes shall be declared elected.

When there is only one single-person position to fill, and there are more than two candidates, each time no candidate receives a majority, the name of the candidate receiving the lowest number of votes shall be withdrawn and another vote taken until a candidate receives a majority. No more than one delegate representing the same local union or constituency organization, except in the case an elected officer represents the same local union, and then no more than two delegates representing the same local union or constituency organization, nor more than four delegates representing different locals of the same national or international union or constituency organization shall be eligible to hold positions on a particular committee at the same time.

Section 9. Such ballots shall become part of the records of the SFLC and shall be preserved and available for examination by any delegate or officer of an affiliated organization for a period of not less than six months.

Section 10. Installation of officers and elected committee members shall be held at the conclusion of the election, except that an officer-elect who is unavoidably absent shall be installed at the earliest possible meeting.

Section 11. In the event of a vacancy in any elected position, announcement of the vacancy shall be made at the next regular Delegate meeting of the SFLC. At the first regular Delegate meeting of the SFLC following the announcement, nominations will be taken. The vote to fill the position shall be taken at the next regular Delegate meeting of the SFLC after nominations.

Section 12. An Elections Committee shall be appointed by the officers of the Council for each election for the purpose of supervising all aspects of the nominations and election process.

Section 13. A protest of the election of any position of the SFLC may be made by a candidate or an affiliated organization to the Elections Committee within 30 days of the certification of the election. The Elections Committee shall review the protest in accordance with the appropriate provisions of this Constitution.

Section 2. The political activities of the SFLC shall be under the direction of the Council's Committee on Political Education (COPE) [Labor/Neighbor], pursuant to and pending the decision of the Delegate Body. Section 3. Upon receipt of the charges or protest properly filed, the officer receiving same shall present them to the Executive Committee at its next meeting and the Executive Committee shall determine by majority vote whether or not the charges or protest merit a hearing. Election protests shall be filed first with the Elections Committee, which shall report its findings to the Executive Committee.

Section 4. If a hearing is warranted, all parties to the dispute shall be given adequate notification of not less than three days of the hearing date, along with a copy of the charges or protest and a record of action taken by the Executive Committee or Elections Committee to date. Section 5. Following a hearing, the Executive Committee may take appropriate action, including, in the case of charges, the suspension or expulsion of any delegate or affiliated organization, the suspension or removal of any officer found guilty of the charges by a two-thirds vote, and in the case of an election protest, order appropriate remedies up to and including the rerun of the election.

Section 6. The decision of the Executive Committee shall be reported to the next meeting of the SFLC. Such decision shall be final and binding unless appealed as hereinafter provided.

Section 7. The decision of the Executive Committee may be appealed to the Delegate meeting of the SFLC by either party. Notice of such appeal shall be filed in writing with the President or the Vice-Presidents within 10 days of the Executive Committee's report to the Council. The appeal shall be heard expeditiously and at a regular meeting of the SFLC. The charging party, the defendant, and the Executive Committee, through selected spokespersons, shall, in that order, be allowed 10 minutes each to present statements of the case. One half hour shall then be allocated for general discussion and questions by the delegates. Delegates shall vote on the question of sustaining the decision of the Executive Committee. It shall require a majority vote to sustain the decision.

Section 8. The final decision of the SFLC may be appealed to the AFL-CIO as provided under Rule #27 or Rule #28 as appropriate of the *Rules Governing AFL-CIO Central Labor Councils*. The decision of the Council shall remain in effect during the appeal unless reversed, modified, or temporarily stayed by the President of the AFL-CIO.

Section 9. In accordance with Rule #26 of the *Rules Governing AFL-CIO Central Labor Councils*, no organization or individual seeking redress under this Article shall resort to any court until all relief within the AFL-CIO as provided for within this Constitution, the *Rules Governing AFL-CIO Central Labor Councils*, and the Constitution of the AFL-CIO is exhausted.

ARTICLE XII. PER CAPITA TAXES AND FEES

Section 1. Affiliated local unions shall pay a monthly per capita tax of seventy (\$0.70) on all its members regularly employed within the jurisdiction of this SFLC. A local union desiring to affiliate shall pay one month's per capita tax at the time of affiliation. Per capita tax for succeeding months shall be due on the first of each month thereafter. Per capita tax in each case shall be based on the number of dues-paying members for the preceding month. If per capita tax for any month is not paid by the first of the following month the local union shall be deemed in arrears.

Section 2. Other affiliated organizations (as defined in Article III, Section 1), shall pay an annual fee of \$50. Any such organization desiring to affiliate shall pay one year's fee at the time of affiliating. The annual fee for succeeding years shall be due on the first of the anniversary month each year thereafter, and if not paid by the first of the succeeding month after it is due, the organization shall be deemed in arrears.

Section 3. A local union or other organization which becomes two months in arrears shall be so notified in writing by the Executive Director. If it becomes three months in arrears it shall not be considered in good standing and shall not be entitled to voice or vote in meetings of the SFLC. It shall be so notified in writing by the Executive Director.

Section 4. A local union or other organization which becomes four months in arrears shall stand suspended from membership and shall be so notified in writing.

Section 5. A local union or other organization which has been suspended, or which has withdrawn from membership, may be reinstated by payment of all amounts due at the time of suspension or withdrawal and the current per capita

tax or annual fee. However, the average membership of a reinstated local union, for purposes of roll call voting, shall be computed from the date of reinstatement (as if it were a newly affiliated local union). A union that has been suspended for nonpayment of per capita tax may pay only the amounts in arrears, but cannot pay for additional months to increase voting strength.

Section 6. The Executive Committee may require a local union to produce proof of membership where reason exists to believe such local union is violating this provision. If the local union shall fail or refuse to produce such proof on request, the Executive Committee may base its determination on such evidence as may be available.

Section 7. The Executive Committee may exonerate any local union from payment of per capita tax for any month that, in the opinion of the Executive Committee, good cause therefore exists, subject to ratification by the SFLC. Exonerated members shall be regarded, for purposes of this Constitution, as paid up members for the period of exoneration, but the delegates representing such local shall not vote on the question of exoneration.

ARTICLE XIII. FINANCIAL PRACTICES AND AUDITS

Section 1. All funds of the SFLC shall be placed on deposit in a national bank or other federally insured financial institution, as designated by the Executive Committee and shall be paid out only by check bearing the signatures of the President, Secretary Treasurer (per Article VIII, Section 2), and the Executive Director. No funds shall be expended unless authorized by the SFLC. All invoices, receipts, and other supporting documents shall be attached to the voucher, which shall be signed by the Executive Director and countersigned by the President or Secretary Treasurer.

Section 2. The accounts and financial records of the SFLC, including all committees and subordinate agencies of the Council, shall be audited annually and shall cover the full calendar year. These audits shall be submitted to the Council and a copy sent to the AFL-CIO. The Executive Committee may require more frequent audits or examination of the accounts and financial records of the Council.

Section 3. Officers, delegates, and other authorized persons shall be reimbursed for necessary and legitimate expenses which may be incurred in the performance of authorized activities for the SFLC. An itemized accounting of such expenses shall be submitted to the Executive Committee.

Section 4. All officers and agents of this SFLC having a financial responsibility shall be covered by a fidelity bond in an amount equal to no less than ten percent (10%) of its revenue in the prior fiscal year. Should the amount of this bond exceed the \$2500 amount of the bond furnished without cost by the AFL-CIO, the Council shall pay the additional cost of such bond.

Section 5. The SFLC shall file such reports and pay such affiliation fees as may be required by the national AFL-CIO pursuant to Rule # 6 and Rule #14 of the *Rules Governing AFL-CIO Central Labor Councils*.

Section 6. The Council shall prepare an annual budget and adopt a written expense policy. Expenses shall be reimbursed only upon submission of original receipts. The use of the Council's credit card for personal use is prohibited.

ARTICLE XIV. LISTS

All lists of affiliates or members of affiliates in possession of the SFLC shall be used exclusively in carrying out the authorized programs and work of the Council and shall not be released to any person or organization for any other purpose unless such release has been duly authorized by the Council and the appropriate officers of the affiliate or affiliates involved.

ARTICLE XV. COLLECTIVE BARGAINING, STRIKES, AND BOYCOTTS

Section 1. This Council shall not take part in any collective bargaining activities or in any dispute, including strikes, except upon the request or consent of the aggrieved union or organizing committee or in the case of a local union directly affiliated to the AFL-CIO, except upon the request or consent of the AFL-CIO president.

Section 2. This Council shall have no power or authority to initiate a boycott. This Council can endorse and provide support for a boycott campaign of an affiliate. This Council can place an employer on an “unfair” or “do not patronize” list, if the proper conditions apply as outlined in the regulations below, and that all such action be taken only on written request of the aggrieved union or in response to an action of the AFL-CIO.

When such action is requested by an aggrieved union, the Council shall be governed by the following regulations:

- (a) The Secretary Treasurer of the AFL-CIO, or her/his designated agent, shall be notified in writing of all boycott requests, whether local, regional or national in scope.
- (b) Disputes affecting contractual interests of other unions – If the requested action is directed against an employer which has a contract or working agreement with any union or unions affiliated with the AFL-CIO, other than the aggrieved union, then the written consent of such other union or unions shall be required. If such consent is not given, no further action shall be taken by this Council except as authorized by the President or by the Executive Council of the AFL-CIO.
- (c) Local Disputes – If the requested action is directed against an employer for a dispute arising within the area of jurisdiction of this Council which does not involve the contractual interest of other AFL-CIO unions, the Council may take the requested action if, in its judgment, such action is warranted and shall provide written notice to the Secretary Treasurer of the AFL-CIO of such action. The Council will notify the Secretary Treasurer of the AFL-CIO when a boycott is terminated.
- (d) Disputes in areas of other area Labor Councils or Central Councils – If the requested action is directed against an employer for a dispute arising wholly outside the area of jurisdiction of this Council, no action shall be taken unless the AFL-CIO and the area Labor Council, Central Labor Council or State Central Council in whose area the dispute arose has first acted favorably on the request of the aggrieved union in keeping with applicable rules.
- (e) National and regional disputes – If the requested action is directed against an employer for a dispute which is national or regional in scope, no action shall be taken by this Council unless the affiliated national or international union involved has first secured approval of the AFL-CIO.

ARTICLE XVI. RULES, PARLIAMENTARY AUTHORITY, AND AMENDMENTS

Section 1. The procedures to be followed with respect to publications issued or endorsed by the SFLC shall be in

accord with Rule #23 and the other policies contained in the *Rules Governing AFL-CIO Central Labor Councils*.

Section 2. In case of conflict between the provisions of this Constitution or other laws or actions of this SFLC and the Constitution of the AFL-CIO, and/or the *Rules Governing Central Labor Councils* issued by the Executive Council of the AFL-CIO, the latter shall prevail, and appropriate steps shall be taken by the Executive Committee to initiate such amendment to this Constitution or to change or modify the laws or actions of this Council as necessary to bring them into conformity with the Constitution and *Rules Governing AFL-CIO Central Labor Councils*.

Section 3. The parliamentary rules contained in *Robert's Rules of Order, Revised* shall govern the SFLC in all cases to which they are applicable and where they are not inconsistent with this Constitution, or such special rules of order as may be adopted by the SFLC.

Section 4. This Constitution may be amended by any regular meeting of the SFLC by two-thirds of the votes cast, provided the proposed amendment(s) have been submitted in writing to the Council at the preceding regular meeting and properly certified by an affiliated organization or by a delegate representing an affiliated organization. Amendments may also be proposed by the Executive Committee. All proposed amendments shall be read in full at the meeting at which received and copies shall be made available upon request to all delegates prior to final consideration. Amendments to this Constitution shall become effective when approved by the President of the AFL-CIO.

Chapters may be authorized to enact bylaws consistent with the Council's constitution; elect a chapter president and secretary treasurer; hold meetings of delegates from local unions within the chapter's geographic jurisdiction; and make recommendations to the State Labor Council, the Area Labor Council or the Central Labor Council for its consideration.
