

THE SAN FRANCISCO LABOR
COUNCIL INVITES YOU TO:

A Trade Union Briefing: The
Affordable Care Act and the
Crisis in Collective Bargaining

Special Guest

Mark Dudzic

National Coordinator
Labor Campaign for
Single Payer

Under the ACA, unions will face new challenges in negotiating healthcare benefits. Race to the bottom pressures will accelerate and, by 2018, many workers will be faced with the cruel choice of reducing hard won benefits that will be subject to a new “Cadillac Tax.” Many joint health and welfare funds will be unable to survive. The time has come to remove healthcare from the bargaining table and make it a right for everyone in America!

Who should attend: Union Presidents and Rank and File leaders, Executive Secretary Treasurers, Executive Board members, and Trustees

Date: Friday, May 31st

When: 8:00 AM—9:30 AM
