We work for Preferred Building Services which cleans the offices of KGO radio. We get paid the San Francisco minimum wage of \$10.74 per hour. We endure abusive and unsafe working conditions and sexual harassment. The work involves heavy lifting and the risk of serious injury. A foreman arbitrarily cut hours from eight hours per day to six hours and

said that any additional hours would need to include sexual favors. The company does not provide paid sick days that are required by San Francisco law or pay medical bills for injuries on the job as required by workers compensation.

We are calling on KGO radio and Cumulus Media as the major tenant to help in getting Preferred Building Services to listen to our demands and not ignore us.

Join us for a picket line outside the offices of KGO radio.
