

All UESF members are encouraged to attend UESF's mass rally at the Board of Education on May 10th at 4:15 p.m. The rally has been called as the affordability crisis continues to push countless educators out of the city. Without strong action from the SFUSD, we are at risk of permanently destabilizing our schools, which puts our students, their families, and our communities at risk.

Educators, parents, and students have also expressed deep concern over insufficient support for the implementation of the district's adopted Safe and Supported Schools Policy resolution. At our rally on May 10th we will also call on the district to fully support the resolution through adequate staffing and training.

Join your fellow SFUSD educators, parents, and community advocates on May 10th to send a message loud and clear to the Board of Education and the administration: We are worth the investment!

## May 4th – AROS Day of Action!

On May 4th, UESF has signed on to participate in the Alliance to Reclaim Our Schools (AROS) nationwide day of action. Dozens of cities across the country are gearing up for a demonstration on May 4th to support their public schools and the fight for the Schools All Our Children Deserve. We've set a goal that 20 schools will participate in the event by leafletting parents before school or organizing school-wide walk ins. Let us know if you can participate! RSVP at [uesf.org/may10](http://uesf.org/may10).
