California **LABOR** Federation

In our workplaces and communities, immigrant workers and members of our unions face the daily uncertainty of raids and deportations under the Trump agenda.

Join us to fight the attacks on Immigrant Workers.

THE TRAINING WILL INCLUDE:

- ▶ **KNOW YOUR RIGHTS:** In the community and at your worksite — laws, contract language, do's and don'ts
- ▶ **BE PREPARED:** What to do if faced with deportations and/or raids
- ▶ **ORGANIZE:** Building Labor/Community Coalitions including elected leaders
- ▶ **RAPID RESPONSE:** Building a movement to defend all workers and their families.

Trainings are co-sponsored by the California Labor Federation and Central Labor Councils listed in partnership with attorneys from the Weinberg, Roger and Rosenfeld law firm.
We invite all unions and Immigrant Worker Rights allies to join us.

Registration opens 9:30am, Training 10am-3:30pm
