

EMERGENCY RALLY TO DEFEND DACA!

5 PM @ SF Federal Building

90 7th Street, SF

We condemn the heartless un-American action of the Trump administration today to put almost one million young immigrants who came here as children in limbo and the threat to turn them out of their homes.

Please come to the Federal Building today, Tuesday, at 5PM to protest this cowardly presidential action.

Protect our immigrant youth! Protect our families! Protect DACA!
