

# STAND UP! FIGHT BACK! SPEAK OUT!

**RALLY FOR TESLA WORKERS.** We will not be silenced.  
We will continue to speak up for a safe workplace!

**Tesla has fired** hundreds of workers, but we are fighting back!

**The UAW has filed charges** with the NLRB alleging broad retaliation against workers.

**Tesla should be** an environment where workers can exercise their rights, raise health and safety concerns, and speak up against injustice.
