

# One Job Should be Enough!

## Rally & March in Support of Striking Marriott Workers

**Saturday, December 1st at 11:00 AM**  
**Local 2 Justice Plaza (Market St/Yerba Buena Lane)**

On October 4, nearly 2,500 workers walked off the job at seven Marriott hotels. Their strike has continued night and day since then as they fight to change the direction of service sector jobs in San Francisco. Unite Here will be in negotiations in SF this weekend. Let's show Marriott that the Bay Area Labor Movement will stand with striking workers until #1job is enough. Wear **RED** and bring your banners/signs.
