

# Call to Action to End the Shutdown!

## Rally & Press Conference in Support of Federal Workers

**Friday, January 25th at Noon  
Oakland Airport  
1 Airport Drive, Oakland**

The government shutdown has now entered its 34th day and this Friday will be the second missed paycheck for federal workers. The SF Labor Council, San Mateo & Alameda Labor Councils are joining together to coordinate support for some of the hardest-hit workers in connection with a national day of action, led by the AFL-CIO.

Please join us on **Friday at Noon at the Oakland Airport** to show support and hear the stories of federal workers from our area.
