

**LAWMAKERS PASSED A
BANDAID BUDGET, BUT
THEIR JOB ISN'T DONE.**

The state budget is incomplete without a plan to **tax the privileged** to fund the bold changes needed to lift up our communities.

People are hitting the streets to rise up against racism and injustice.

Californians are suffering under the weight of this pandemic. Millions of us have lost our jobs. Thousands have died.

We are calling on leaders to choose investments in families, seniors, students, and immigrants rather than give billionaires and corporations a free pass.

We demand California Legislators **DISMANTLE THE SYSTEMIC INEQUALITY** oppressing Black and Brown people, and **FUND INVESTMENTS TO LIFT UP OUR COMMUNITIES.**
