

Statement on the Passing of Richard L. Trumka

August 5, 2021 – The San Francisco Labor Movement is deeply saddened by the passing of our brother, AFL-CIO President Richard Trumka. Brother Trumka was a fierce fighter for the rights and dignity of workers everywhere. This is a tragic loss and the SF Labor Council sends its heartfelt sympathies to Brother Trumka’s family. We will keep Rich’s memory and legacy alive by continuing our daily work to improve the lives of working people, including the important work of passing the Pro Act. Rest in power, Brother Trumka.
